

GENIE. My master calls, I must obey.
You hold the lamp – so have a nice day!

ALADDIN. Things are looking up, I was feeling blue,
But now I've got company – who are you?

GENIE. Call me Ronnie - the Genie of the Lamp,
Best in the world, the undisputed champ!
To serve with a smile is my vocation,
And grant your wish in every location.

ALADDIN. Whatever I wish?

GENIE. Consider it done!

ALADDIN. Anything?

GENIE. Anything.

ALADDIN. That sounds like fun.

GENIE. So, what'll it be?

ALADDIN. It's so hard to think,
Oh, to be home and have something -

GENIE. To drink?

ALADDIN. No wear - I really ought to look my best,
If I'm to pass the stiffest test,
And gain my lovely Jasmine's hand.

GENIE. Let's kit you out in something grand!

ALADDIN. Can you do it?

GENIE. Easy as pie.
So off you go and then we'll fly!
Cave sprites!

(PYRO. GENIE appears down R.)

GENIE. My master calls, and I obey.
You hold the lamp, so have a nice day!

ALADDIN. Ronnie – that's great, but I need a palace like yesterday!

GENIE. Filthy rich and with loads of bling?

ALADDIN. No, that's not quite the sort of thing,

GENIE. You had in mind?

ALADDIN. No.

GENIE. You want class?

ALADDIN. Absolutely, you bet your –

GENIE. Class!
That's something I do really well!
You want a palace, something swell!

ALADDIN. Right first time and I need it quick!

GENIE. Stand aside. I just love this trick!

(GENIE makes pass. PYROS, THUNDER, LIGHTNING,
RUSHING WIND ETC. A magical transformation takes place.)
